

June 2020 Newsletter

Hello Members and supporters!

We hope everyone is coping well after the country's lockdown. An uncertain time for many people, but we hope you are slowly able to get back to some form of normality. If you need any assistance please contact one of our committee members who are happy to help, and if they don't have the answers they may be able to find someone in our club community who does.

A big thank you again to all our committee, volunteers and members for the help and support over the last year. There have been many hours of voluntary time spent running the club. This includes maintenance, venue hire, fundraising, meetings, trainings, coaching and administration. Your dedication is noticed and extremely valuable to ensuring a successful club.

One of our main streams of revenue is the hire of our wonderful venue. Many hours have been given to make this a success. Special thanks to Rob Bishop, Michelle Balk, Angela Maguire, Linda & Daryl Poulsen and all others that have supported events at the Club.

We also wish to again acknowledge and thank our SPSLSC Trust for their ongoing commitment and support to our Club.

Thank you to everyone who came to our Club AGM last Sunday ensuring we had a good turnout. We confirm the following have been re-elected on the committee for the upcoming year.

- President - Richard Newbold
- Club Captain - Linda Poulsen
- Treasurer - Jo McGregor
- Secretary - Lisa Ewans
- Members - Daryl Poulsen
- Sam Baker
- Jim Wellacott
- Tony Lindley

- Troy Reed

Surf Lifesaving NZ has made huge headway this year. They have announced they will receive Government funding of \$9.4 million towards Club operational costs. In addition \$3.9 million of funding over the next three years will be for SLSNZ to undertake 12 projects specifically to help increase capability in the Search and Rescue and volunteer areas. To date we do not know how the funding will be allocated and how much we will receive, but it is definitely a positive and beneficial outcome for our Club.

People resources is always a challenge for volunteer organisations, but we are keen to engage more of our members into different aspects of the club and events. If you are keen to be more involved please let one of our Committee members know.

Planning is now underway for our Club Annual Prizegiving and more details will be out very soon, so keep an eye out for upcoming communications.

That's all from me for now, keep warm and dry and I look forward to seeing you all around the Club again very soon.

If you have any questions, all of our Committee contact details are on the club website www.spencerparkslsc.org.nz
